Plaintiffs,

-v.-

3FORGE LLC,

Defendant.

24 Civ. 7591 (KPF)

ORDER

KATHERINE POLK FAILLA, District Judge:

On November 15, 2024, the Court held a telephonic conference to discuss Plaintiffs' motion for a preliminary injunction (Dkt. #6) and motion to expedite discovery (Dkt. #8), as well as Defendant's anticipated motion to dismiss. For the reasons stated on the record, and accepting Mr. Mahon's representations that his client is not engaging in head-to-head comparisons with Plaintiffs, the Court denied the motion for a preliminary injunction and the motion to expedite discovery. Defendant is directed to file its response to the Complaint on or before **December 20, 2024**.

Also as discussed at the conference, referral for mediation proceedings might be beneficial to the parties. The Court directs the parties to file a letter on or before **December 20, 2024**, advising the Court as to whether the parties would like to be referred to the Court-annexed Mediation Program or to Magistrate Judge Robyn F. Tarnofsky for a settlement conference, to use a private mediator, or to proceed directly to discovery.

The Clerk of Court is directed to terminate the pending motions at docket entries 6 and 8.

SO ORDERED.
